Covina Bethel English Class Newsweek

Upcoming events:
5-16-09 ORTV Speech Contest

OK, here are some pictures of my new grandson (along with his parents). He is doing fine. My son is learning what it is like to be all wet on occasion (Algernon pees when being changed and his diapers have been known to leak). Ah, the joys of parenthood! They are doing fine and I look forward to seeing all of them

the first of May. It was so good to see Albert back last Saturday. Diana has had her back operation (a success) and will be recuperating until about June when she may be back to class. We will miss her. Sharon is in Taiwan and points east for a business trip. Charles and Susan are visiting family in China and will be there for a while. Are you taking advantage of the spring? Are you taking walks and enjoying the sunshine and the beautiful greenery? What a wonderful time of year! We are blessed with great weather here in Southern California. Are you planting a garden or a flower garden this year? You should be aware that, because of the water shortage in California, we will have water rationing this summer, and it will cost more for the water we do get. So if you do plant some vegetables or flowers, take that into account. I am sure that the newspapers will also give us more ideas on how to conserve water. For instance, if you haven't already installed an approved reduced water toilet, you can do that, or you can put something (like a big brick) in your toilet water tank to reduce the amount of water used on each flush. Do not leave the water running while you brush your teeth, or while you are shaving. Cut back the number of days a week you water your lawn. Wait until you have a full load of laundry or be sure and reduce the size on the dial of your washing machine. If you use a dishwasher, only use it when it is full. Don't leave the water running while you wash your car. Don't stay in the shower too long. Also, you could get wet, turn off the water, lather up, turn the water back on and rinse off. That would save a lot of water.

He has showed you, O man, what is good. And what does the LORD require of you? To act justly and to love mercy and to walk humbly with your God. Micah 6:8

世人哪，耶和華已指示你何為善。他向你所要的是甚麼呢？只要你行公義，好憐憫，存謙卑的心，與你的神同行。彌迦書 6:8
