Covina Bethel English Class Newsweek

Dec 26, 2009 – No Class
Jan 2, 2010 – No Class

The last time we met we had a Thanksgiving lunch. It was wonderful. As you can see from the pictures to the right, we had LOTS of good things to eat. We also got to see the two founders of our class, Roxanne and her husband (I'm terrible with names). I hope everyone had as wonderful a Thanksgiving as I did. I got to see a lot of family and to thank my God, yet again, for all He has done. "For each new morning with its light, For rest and shelter of the night, For health and food, for love and friends, For everything Thy goodness sends."

Well, Thanksgiving (the holiday) is over and now it is time to "shop, shop, shop until we drop." Christmas is just a few weeks away and, in the USA, it is the tradition to give gifts to family (and some friends). To aid us in shopping for gifts, there are many sales during this season. Many stores will have flyers put in newspapers and delivered to people's doors. There will be many advertisements on TV, also. I always find it difficult to decide what to get for someone. If they are a child, it is easier, but it is particularly hard to buy gifts for adults. Today we can even shop on-line using our computer. We can purchase a gift and have it delivered to the person we want, even if they are across the country. People are so busy, they just buy presents or a gift card for those they give presents to. In the past we did not have so many choices. Fifty years ago (and before that) people lived much simpler lives. In those times it was easier to decide what to give because most people didn't have very much. Some things were bought from stores (where the choices were very limited) and others were made, lovingly, by hand. Many people had learned to sew or knit or crochet or carve wood, etc. There seemed to be more craftsmen in those days. That everyone may eat and drink, and find satisfaction in all his toil—this is the gift of God. Ecclesiastes 3:13

並且人人吃喝，在他一切勞碌中享福，這也是 神的恩賜。
