Covina Bethel English Class Newsweek

Upcoming events:

Teacher Charles is still in Mongolia, if all goes according to plan. Today was his last full day in Mongolia. He should have visited Bogd Khaan's Palace Museum. Then he should have had a traditional meal with a performance of Khoomei (throat singing). Tomorrow he will come home. Did anyone bring in their pictures and story of their summer vacation? Of course I am not

there yet, but if you will leave them with Peter (who taught my class today), I will try to get one in our next newsletter. As you may know, school has started for many of our young people. The children are off the streets and doing their "book learning"; that is, they are in class learning what their teachers teach (hopefully). Some of our college students don't start until next Friday. What other events happen in September? Of course, on September 7th this year it was Labor Day. Do you remember why we have Labor Day? After the deaths of a number of workers at the hands of the US military and US Marshals during the 1894 Pullman Strike, President Grover Cleveland put reconciliation with Labor as a top political priority. Fearing further conflict, legislation making Labor Day a national holiday was rushed through Congress unanimously and signed into law a mere six days after the end of the strike. On this day there should be parades to show support for trade and labor organizations, followed by a festival for workers. Do you believe this is happening now?

³ Let love and faithfulness never leave you; bind them around your neck, write them on the tablet of your heart. ⁴ Then you will win favor and a good name in the sight of God and man.

Proverbs 3:3-4.

³ 不可使慈愛、誠實離開你，要繫在你頸項上，刻在你心版上。⁴ 這樣，你必在 神和世人眼前蒙恩寵，有聰明。

箴言 3:3-4.
